REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-33 are allowed over the prior art of record because the prior art of record, considered in combination or individually, fails to suggest or fairly teach an optical disc recording method or device including a combination of all features or limitations as particularly recited in each of claims 1, 14, 24, 35, 45, 50 and 57. Claims 2-13, 15-23, 25-33, 36-44, 46-49, 51-54 and 58-61 are allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Cited References

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited reference relate to an optical recording method and apparatus for performing optimum laser power calibration on an optical disk based on test recordings at a test location.
